Minor Participation in Full Force Games Addendum

This form is an Addendum to the, "Release and Waiver of Liability, Assumption of Risk, and Indemnity Agreement, for which I stipulate that I have already signed in agreement of its terms. In general, most gameplay at Tac City Airsoft follows specific rules including a minimum engagement distance of 10 feet, no lasers, no "Airsoft" grenade type devices, etc. Per customer request, occasionally we allow "Full Force" gameplay that reduces some of the rules for our standard games, eliminating the minimum engagement distance, allowing for the use of lasers, etc.

As a policy, Tac City Airsoft advises that minors should NOT participate in "Full Force" gameplay.
