I _____ , agree to rent equipment from Tac City Airsoft and take full responsibility for any misuse or abuse of this equipment while in my possession. As deemed necessary by Tac City, I assume full financial responsibility for any repairs or parts that are required due to damage caused to this equipment while in my possession. I fully understand this equipment is rented to me directly and regardless of who is in possession of this equipment when damage occurs, I am still responsible. Fees may vary between $30 to new replacement value of this equipment, and I consent to those fees being charged to any payment method I may have on file and/or my collateral being held until I provide compensation. I have the right to request replacement equipment should I be concerned about the condition of any equipment presented to me. By signing this agreement, I accept this responsibility and acknowledge no current damage to this piece of equipment rented to me.
